- Assign a specific number range (**01**) to the document type to determine how the system generates document numbers.
- **Reverse Document Type:** Set the default document type (**AB**) used when reversing entries for this specific type.
- **Number Range Information:** Click this button to view or maintain the details and intervals of the assigned number range.

SAP Edit Intervals. Accounting docum

Number Range Object: RF_BELEG Number Ranges For Accounting Documents

Company Code: TEC1

Intervals Intervals NR Status

- Enter the Company Code (**TEC1**) for which you want to maintain number ranges.
- Click the **Intervals** button (with the pencil icon) to add or change the number sequences.
- **Purpose:** This step ensures that each accounting document receives a unique number within the specified company.

	Number Range No.	Year	From No.	To Number	NR Status	External	
☐	0	2026	0000000001	0000099999	0	☐	
☐	01	2026	0000100000	0000199999	0	☐	
☐	02	2026	0000200000	0000299999	0	☐	

- **Number Range No.:** Assign a unique ID for each range (**01**).
- **Year:** Set the fiscal year (**2026**) for which these numbers are valid.
